

Steeped in Scandinavian Traditions

Since 1891, The Danish Home has taken great pride in creating a **hyggelig** atmosphere: a fundamentally Danish trait that encompasses hospitality, warm companionship and a celebration of life. We embrace people of all ethnicities, while sharing the traditional Scandinavian values of respect and caring for each other, humor, and great food.

Our lifestyle and amenities...

With freshly cooked meals, housekeeping and laundry services, you'll have freedom from the responsibilities of homeownership and maintenance, and lots of time to pursue your interests and try out new hobbies and activities.

The importance of choosing a non-profit CCRC

The Danish Home is a non-profit Continuing Care Retirement Community (CCRC). This means that we offer the opportunity to live an independent and active lifestyle. We also promise that should your health care needs change, you don't have to go looking for a new place in which to live, and you don't have to move away from your friends and loved ones.

Our healthcare center, which provides skilled long-term care, boasts a professional staff including a medical director/physician, physical therapist, and around-the-clock nurses, offers the very best care.

Moving into a CCRC is a decision you'll only have to make once.

No Medicare or Medicaid program participation.
