

Christmas 2020

Dear Friends and Family of The Danish Home of Chicago,

Glaedelig jul og godt nytar!

Merry Christmas and a Happy, Healthy New Year from the members of The Danish Home Team.

If there is any year to show your appreciation to our employees, it is 2020. The battle against COVID-19 defined this year; and, rightly so, the Staff was awarded “The Essence Award” at our Annual “Virtual” Benefit in September!

It may even be possible that you know all of our team members because of the 24/7 nature of our community. It is because of this possibility that I take this time to remind our residents, families and friends that it is against The Danish Home’s policy for any employee to accept a personal gift of any kind from our residents and families.

In order to offer our residents and families the opportunity to show their appreciation, The Danish Home during the month of December places a gratuity box by the front office out-going mail. Also, there are other options available, you can send a gift to The Danish Home of Chicago, 5656 N. Newcastle Avenue, Chicago, IL 60631 or go to our website www.danishhomeofchicago.org, click on “Make a Donation” and make your donation electronically. So your appreciation can be allocated to the proper fund, please indicate this is for the “Employee Christmas Fund”.

Thank you again for considering a gift to our Employee Christmas Fund.

Glaedelig jul og godt nytar,

Scott L. Swanson
President/CEO
