

## ROOTED IN LEGACY RISING TO THE FUTURE

Following the incredible success of our new construction of the Legacy Building, which has beautifully modernized our campus while preserving the warmth and heritage our community cherishes—The Danish Home Foundation is proud to present our next major milestone event: Rooted in Legacy, Rising to the Future.

As a sponsor for this benchmark event, your support bridges the gap between our rich history and our visionary tomorrow. Sponsorship means directly contributing to the ongoing growth of our community, ensuring that we can continue to provide exceptional, dignified senior care and vibrant cultural programming for generations to come.
